Salt Lake City, Utah, 84118 | **Phone:** (435) 503-2695 | **Email:** diegopie@outlook.com  
**GitHub:** bit.ly/3CDmtKU | **Portfolio:** bit.ly/3s4GAN0 | **LinkedIn:** bit.ly/3xvX2qV

As one who is passionate about learning and teaching, full stack web development has been my truest source of joy. After earning a certificate in full stack development from the University of Utah, I have been able to achieve much and am eager to continue to learn so I may build my own applications I dream about and act as a valuable asset to any workplace.

## Skills

**Languages:** JavaScript, HTML/CSS, SQL, noSQL

**Tools:** Node.js, Express, jQuery, Handlebars, React, Bootstrap, PWA, MongoDB

**Software:** Photoshop, Illustrator, InDesign, Lightroom, Premiere Pro, XD, Handbreak, OBS

## Experience

**2U - Remote**

**Full Stack Web Developer Tutor**

**05/2021**

**Present**

Coach and educate students with 2U's Full Stack Web Development bootcamps. Tutors are expected to develop student's problem solving skills as well as foster their mindsets to create success in the bootcamp and their careers

- Host weekly 1 on 1 sessions with students to identify where they are struggling, as to mentor their emotional/mindset needs or guide them toward understanding the technical curriculum
- Grow understanding of curriculum content and beyond as to best educate students as well as engaging with self development to best coach students to build their own success

**Worthy - Murray, Utah**

**Account Executive**

**09/2017**

**08/2019**

Helped build a startup company by connecting with clients, evaluating their fine jewelry, and working with them to sell their luxuries on an exclusive auction platform.

- Achieve daily metrics to reach GMV goals and drive company growth
- Collaborated with coworkers to improve and streamline company procedures
- Rewrote company sales templates to increase employee efficiency and increase client conversion
- Created Standard Operating Procedure documents to assist with cross-department workflows

## Education

**Certificate, Full Stack Web Development - University of Utah**

**Salt Lake City, UT**

**2020 - 2021**
